

BRIDGEWATER BITCH - LEIGHTON

LEIGHTON

Penny, I'm going to tell you something, and it's probably going to hurt your feelings. But instead of thinking of me as... *an enemy*, I want you to think of me as a friend... who has to give you tough love.
(then)
People think you're weird.

PENNY

What why?

LEIGHTON

I think it's because you don't drink... oh, and you dress bad.

PENNY

You know my father was an alcohol--

LEIGHTON

Yes, and he left your mom and your sisters to start a new family with his personal trainer. It's a really sad story, but the ladies here at Bridgewater... they won't tolerate that shit. All our Dad's are alcoholics and it's a bummer to be around someone who doesn't drink. It's sort of a *silent judgement* for those of us who do drink. Like... all of us.

PENNY

But I'm 5 years sober.

LEIGHTON

Great, you did it once you could do it again. I believe in you!

Leighton turns to leave, her job is done.

LEIGHTON (CONT'D)

Oh, if you buy all new clothes,
that would help with the other
thing.
